

MAX Credit Union Consent to Contact

You agree that we may contact you by telephone at any telephone number associated with your account, including wireless telephone numbers, which could result in charges to you, in order to service your account for our own credit union marketing purposes. You further agree that methods of contact may include the use of short-message-service text messages, pre-recorded or artificial voice messages, and/or the use of an automatic dialing device. You authorize MAX Credit Union to contact you at the telephone number provided, even if you've previously registered on a Do Not Call registry. You understand that you are not required to consent to receiving auto-dialing calls/texts as a condition of purchasing any MAX products or services. Any cellular/mobile telephone number you provide may incur charges from your mobile service provider.
